8 COSTING MODEL

PRICING INSTRUCTIONS

The construction pricing schedule shall be based on a construction value (Built Costs) of R2 000 000, R 4 000 000 and R 6 000 000.00 respectively for the entire project. The basis of cost proposals shall be on cost plus contract amount for purposes of tender evaluations to ensure a fair comparison of costs. The IDC reserves the right to award this tender in whole or in part.

Upon appointment, the service provider must develop drawings up to stage 4, prepare and submit Bills of Quantities with no change to the tendered amount. All allowances which formed part of the cost-plus contract amount must form part of the Bills of Quantities.

The Bills of Quantities to be drawn in accordance with the latest edition of the Standard System of Measuring Building Work (as amended) published and issued by the Association of South African Quantity Surveyors.

The professional team fees pricing shall be in accordance with the gazetted professional fees and tariff scales and shall be based on the cost-plus contract amount.

8.1 SECTION A - PROFESSIONAL FEES

The table below illustrates the pricing format for the design phase in stages based on the three (3) cost scenarios i.e. Built Cost of R 2 million, R 4 million and R 6 million. Notes on pricing: Disbursements (incidental expenses other than professional fees e.g. travel and accommodation, printing costs, venue hire, and equipment hire etc.) must be clearly defined, outlining all assumptions. It is of utmost importance to submit clear and comprehensive cost proposals to allow the IDC to fairly compare bid price / cost proposals. If there is no additional fee envisaged for Disbursements, then the bidder must clearly indicate “No Charge / Free of Charge”. Failure to clearly indicate this, would result in IDC penalising your bid response by taking the cost of the highest bidder and adding 50% thereto and apply this rate for purposes of price comparisons. Bidders are therefore requested to respond clearly and comprehensively on this aspect of their bid response.

The bidder must provide a detailed breakdown of the Disbursements as follows:

Annexure 5: Certificate of Independent Bid Determination

SBD 9

CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.
