

Tender Number: T19/08/20

Tender description: REQUEST FOR PROPOSAL FOR THE PROVISION OF ELECTRICAL MAINTENANCE SERVICES

Question and Answers Version 1

No.	Question	Type	Answer
1	I just wanted to enquire if the requirement of CIDB 4EB is a gate keeper? My company is registered with CIDB and is 5EP.	Technical	The requirement for CIDB grading of at least 4EB or better is a mandatory evaluation criteria and the submission of evidence of such grading will be assessed to identify if a bidder progresses to the next phase of evaluations. The EB designation was selected as the scope of work is in line with the definition and basic works type as per the CIDB classes of construction works.
2	Can I bid for this tender as my company is on grade one EB and I am interested in bidding for this tender.	Technical	
3	I would like to arrange a site visit with regard to the above mentioned RFQ to get detailed info for accurate costing. We are available anytime please arrange at your earliest convenience.	Technical	Provision for bidders to attend a site visit has not been made in the RFP since the scope of requirements, list of available equipment and equipment maintenance schedule is believed to be clear and concise for bidders to cost accurately. The current Covid-19 pandemic has also prompted the IDC to reconsider certain RFP conditions related to physical interaction in an effort to reduce the spread of the virus and to ensure the safety and wellbeing of IDC staff as well as that of potential bidders.
4	On page 31 cable size and type is not mentioned please provide adequate description.	Technical	1,5 mm GP wire cable
5	I would like to find out if the RFP document for provision of electrical maintenance services is for a panel of suppliers or for one(1) company only?	Technical	The intention is to appoint one (1) service provider to render the services to the IDC as stipulated in the Scope of Work.
