1	<p>I would just like some clarity on the tender document Section 2: Functional Requirements Specification – Item 6.1 Mandatory Technical Requirements – item 6.1.1. Company Presence. This makes reference that the bidder “must have a local presence or must have the capability to deploy a human resource, for a short to medium term duration in Tanzania”.</p> <p>We are a South African company, with no local presence in Tanzania, although we can deploy human resources to Tanzania. Can you confirm that we would be in compliance with item 6.1.1.</p>	Commercial	<p>This mandatory requirement, item 6.1.1, makes allowance for <u>either</u> companies who have a local presence in Tanzania <u>or</u> companies who have the capability to deploy a human resource for a short to medium term duration in Tanzania to be considered as being compliant subject to the necessary substantiation being provided.</p>
