### **2. Background Information**

---

The Industrial Development Corporation (IDC) seeks to appoint a panel of qualified and competent built environment professional service providers which can be used to execute infrastructure and maintenance projects in Industrial Parks (IPs) and Special Economic Zones (SEZs). Individual entities will be used to rapidly respond to the requirements of IPs and SEZs to meet their developmental and operational requirements.

The IDC, through its Industrial Delivery Programme (IDP), has established IDP to support industrial delivery by way of accelerating the implementation of the SEZs and IPs who in turn are the key tools driving industrialization in South Africa. The Department of Trade, Industry and Competition (the dtic) is the founding Department of the IDP housed under IDC as its agency.

Primarily, the IDP is tasked with providing support to underperforming SEZs and IPs that would like to accelerate their physical development and infrastructure roll-out.

The mandate of the IDP is to:

- support **IDC** in its responsibility to be an active participant in the planning, development and management of SEZs and IPs;
- provide specialist advisory services to assist provinces and municipalities in accelerating the planning, development and management of SEZs and Ips.
- strengthen the countries industrialization agenda through ensuring that the SEZs and IPs operate at optimum levels;
- support IDC in coordinating the contribution of all national stakeholders to planning, development of SEZs and IPs, ensuring that there is alignment and that all synergies are realised; and
- ensure that sustainable development impact, as measured by the balance between social, economic and environmental needs, is entrenched in the rollout of SEZs and IPs, making implementation both inclusive and transformative.

The purpose of this process is to create a panel of pre-qualified bidders who can be invited to submit offers in respect of a particular project/programme on an instructed basis. - 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).<sup>2</sup> Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.

  - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
