

Information Purposes

All information presented on this website page is for informational purposes only and to comply with relevant requirements. The information published on this website page follows the Industrial Development Corporation's (IDC) commitment to transparency as a public body.

The Protection of Personal Information Act, 4 of 2013, ("POPIA"), which came into force on 1 July 2021, is a law which regulates the use and processing of a person and / legal entity's personal information, this being in response to, and to protect and give effect to a person and/or legal entity's rights to privacy, including the right not to have their / its personal information and related data misused, abused or used for ulterior purposes.

The IDC respects the right to privacy and acknowledges that this website page will contain Personal Information, which may belong to you, others and/or other organizations and which will be or has been processed in accordance with POPIA.

By viewing the list on this website page, you hereby acknowledge that you have read and accepted this POPIA disclaimer. You understand and agree that all information provided on this website page, whether personal or otherwise, can only be used and processed by the owner of this website in line with the provisions of POPIA. When Personal Information is made public, a party that collects and processes such information is required to still comply with the provisions of POPIA. Consequently, Personal Information of a data subject may only be collected or processed if consent is obtained from the data subjects or for lawful

The IDC accepts no liability whatsoever for any loss, damage (whether direct, indirect, special or consequential) and/or expenses of any nature whatsoever which may arise as a result of, or which may be attributable directly or indirectly from information made available on this page or links, or actions or transaction resulting therefrom.

Definitions

"Personal Information" means information relating to an identifiable, living natural person, and where it is applicable, an identifiable, existing juristic person.

“Processing, Process, Processed” means in relation to Personal Information, the collection, receipt, recording, collation, storage, updating or modification, retrieval, alteration, consultation or use; dissemination by means of transmission, distribution or making available in any other form; merging, linking, as well as restriction, degradation, erasure or destruction of information; or sharing with, transfer and further Processing, including physical, manual and automatic and in relation thereto which may be held on a “Record” which means any recorded information housing Personal Information Processed by IDC, or its Personnel, regardless of form or medium.
