

Tender Number: RF117/04/22:

Tender description: Consulting services for implementation support for the SAFGG

Question and Answers Version 1

No.	Question	Type	Answer
1	Please confirm that the payments for the consulting services shall be done in Euro only.	Technical	The payments will be in Rand.
2	We understand that IDC will issue one response to enquiries and such response will be posted within two days after the last day of enquiries i.e. 20 May 2022. Also, the submission is requested in hard copy in Sandton, South Africa. Therefore, we request you to grant us an extension of two weeks which will allow us to consider the clarification responses and sufficient time to deliver the high quality document on time via courier service company.	Technical	Yes the IDC will post the Question and Answer Pack on the IDC website, however the IDC will not grant extension for the closing date of the RFI.
3	We detected your request for the implementation support for the South African Facility for Green Growth (SAFGG). We are interested in this tender to provide our expertise. However, we were not able to find information about: 1. The foreseen duration for the consulting services and 2. The budget	Technical	This is a two stage process with more information to be provided (duration of consulting services) to shortlisted bidders that will pass the first stage of the RFI process. The IDC will not provide the budget to bidders.
4	Would participation in this RFI and the resulting RFP preclude us from performing any downstream work on the facility?	Technical	The implementation consultant cannot be a beneficiary under the facility
5	How long will the overall project run for and how will the time allocation differ over the various phases of the project?	Technical	This is a two stage process with more information to be provided (duration of consulting services) to shortlisted bidders that will pass the first stage of the RFI process.
6	How many projects does the IDC think will require implementation support through the SAFGG and over what period of time?	Technical	The estimated number of projects are unknown at this time.
7	How long does the IDC anticipate each of the sub borrow projects to run for?	Technical	The projects will differ so the duration is also unknown at this time.
8	Please clarify section 6.2 " Presentation of Respondent:(maximum 10 pages), inclusive clear statements of type, property business scope, previous international experience of the Consultant and/or associated partners (if applicable)" Is the submission only limited 10 pages? Does section 6.3 submission also form part of the 10 page presentation?	Technical	The Presentation of Respondent including any JV / associated partners shall be limited to 10 pages. Additional information may be presented in an Annex.
9	In section 5.1 Submission information : Submission requires hard copy delivery, will the IDC consider email submissions as an alternative?	Technical	No, only hard copies submissions will be accepted.
