2. Background Information

The IDC Head Office is situated on 19 Fredman Drive, Sandown, Sandton, Johannesburg. It comprises of three adjacently located buildings. The buildings are fairly seasoned in terms of service length with a combined average service of over 30 years.

The IDC seeks to appoint a professional service provider to conduct general cleaning of the offices, deep cleaning of bathrooms and carpets as well as cleaning of the exterior & interior windows.

The IDC’s core hours are between 07H00 – 17H00 from Monday to Friday, with a limited number of employees working extended hours; thus, the service provider needs to conduct bulk cleaning works at night and routine cleaning work during operational hours/ during the day to not disrupt IDC operations. IDC has recently implemented the Hybrid Work Model, which means that no day of the week has 100% capacity of employees in the office at once. Divisions are allocated days at which they must be in the office, and we also have critical staff that are based in the office five days a week. Currently Thursdays are the busiest with 80% staff in the office at once while all other days of the week have lesser number of employees coming to the office. (Details around this will be shared with the successful bidder).

Below are the guides for occupancy percentages per week.

- Mondays – 46%
- Tuesdays – 34%
- Wednesdays – 20%
- Thursdays – 80%
