SECTION 1: GENERAL CONDITIONS OF BID

1. Proprietary Information

Industrial Development Corporation of SA Ltd (IDC) considers this Request for Proposal (RFP) and all related information, either written or verbal, which is provided to the respondent, to be proprietary to IDC. It shall be kept confidential by the respondent and its officers, employees, agents and representatives. The respondent shall not disclose, publish, or advertise this RFP or related information to any third party without the prior written consent of IDC.

2. Enquiries

- 2.1 All communication and attempts to solicit information of any kind relative to this RFP should be channelled **in writing** to:

Name:	Ms. Ntombifikile Mokgeseng
Telephone Number:	+27 11 269 4381
Email address:	ntombifikilem@idc.co.za

- 2.2 Enquiries in relation to this RFP will not be entertained after **16h00 on 29 February 2024**.
- 2.3 The enquiries will be consolidated, and IDC will issue one response and such response will be posted, within two days after the last day of enquiries, onto the IDC website (www.idc.co.za) under tenders i.e., next to the same RFP document.
- 2.4 The IDC may respond to any enquiry in its absolute discretion and the bidder acknowledges that it will have no claim against the IDC on the basis that its bid was disadvantaged by lack of information, or inability to resolve ambiguities.

3. Bid Validity Period

Responses to this RFP received from bidders will be valid for a period of **120** days counted from the bid closing date.

4. Instructions on submission of Bids

- 4.1 Bid responses must be submitted in electronic format only and must be e-mailed to the dedicated e-mail address as provided herein.
- 4.2 Bid responses should be in generally acceptable / standard electronic file format/s (i.e., Microsoft suite of products or pdf) to enable access thereto by the IDC for purposes of evaluating responses received. Where documents are presented in a format which cannot be accessed by the IDC through generally acceptable formats, such bid response will be disqualified.
- 4.3 The closing date for the submission of bids is **5 March 2024** not later than **11:00 AM (before midday)**. No late bids will be considered. Bids must **only** be sent to tenders@idc.co.za. Bids sent to any other email address other than the one specified herein will be disqualified and will not be considered for evaluation. It is the bidder's responsibility to ensure that the bid is sent to the correct email address and that this is **received** by the IDC before the closing date and time in IDC's dedicated tender e-mail inbox / address (tenders@idc.co.za).

- 4.4** Bidders are advised to submit / send its bid responses at least 30 minutes before the 11:00AM deadline to avoid any Information Technology (IT) network congestions or technical challenges in this regard which may result in bid responses being received late. IDC's e-mail servers are configured to receive e-mails with sizes up to 50MB.
- 4.5** The IDC will not be held responsible for any of the following:
- 4.5.1 bid responses sent to the incorrect email address;
 - 4.5.2 bid responses being inaccessible due to non-standard electronic file formats being utilised to submit responses by bidders;
 - 4.5.3 any security breaches and unlawful interception of tender / bid responses by third parties outside the IDC's IT network domain;
 - 4.5.4 bid responses received late due to any IT network related congestions and/or technical challenges; and
 - 4.5.5 bid responses with file size limits greater than IDC's e-mail receipt capacity of 50MB.
- 4.6** Only responses received via the specified email address will be considered.
- 4.7** Where a complete bid response (Inclusive of all relevant Schedules) is **not received** by the IDC in its electronic email tender box (tenders@idc.co.za) by the closing date and time, such a bid response will be regarded as incomplete and late. Such late and / or incomplete bid will be disqualified. **It is the IDC's policy not to consider late bids for tender evaluation.**
- 4.8** Amended bids may be sent to the electronic tender box (tenders@idc.co.za) marked "Amendment to bid" and should be received by the IDC **before** the closing date and time of the bid.

5. Preparation of Bid Response

- 5.1** All the documentation submitted in response to this RFP must be in English.
- 5.2** The bidder is responsible for all the costs that it shall incur related to the preparation and submission of the bid document.
- 5.3** Bids submitted by bidders which are or are comprised of companies must be signed by a person or persons duly authorised thereto by a resolution of the applicable Board of Directors, a copy of which Resolution, duly certified, must be submitted with the bid.
- 5.4** The bidder should check the numbers of the pages of its bid to satisfy itself that none are missing or duplicated. No liability will be accepted by IDC in regard to anything arising from the fact that pages of a bid are missing or duplicated.
- 5.5** Bidder's tax affairs with SARS must be in order (tax compliant status) and bidders must provide written confirmation to this effect as part of their tender response.
- 5.6** Where the bidder proposes to use a subcontractor for the execution of part of the scope of work of the contract, the bidder may not sub-contract more than 40% of the value of the contract. The IDC will assess whether the proposed subcontractor(s) meets the relevant requirements and/or conditions of the tender.

6. Supplier Performance Management

Supplier Performance Management is viewed by the IDC as a critical component in ensuring value for money acquisition and good supplier relations between the IDC and all its suppliers.

The successful bidder shall upon receipt of written notification of an award, be required to conclude a Service Level Agreement (SLA) with the IDC, which will form an integral part of the supply agreement. The SLA will serve as a tool to measure, monitor, and assess the supplier performance and ensure effective delivery of service, quality and value-add to IDC's business.

Successful bidders will be required to comply with the above condition, and also provide a scorecard on how their product / service offering is being measured to achieve the objectives of this condition.

7. Enterprise and Supplier Development

The IDC promotes enterprise development. In this regard, successful bidders may be required to mentor SMMEs and/ or Youth-Owned businesses. The implications of such arrangement will be subject to negotiations between the IDC and the successful bidder.

8. IDC's Rights

- 8.1** The IDC is entitled to amend any bid condition, bid validity period, RFP specification, or extend the bid closing date, all before the bid closing date. All bidders, to whom the RFP documents have been issued and where the IDC have record of such bidders, may be advised in writing of such amendments in good time and any such changes will also be posted on the IDC's website under the relevant tender information. All prospective bidders should therefore ensure that they visit the website regularly and before they submit their bid response to ensure that they are kept updated on any amendments in this regard.
- 8.2** The IDC reserves the right not to accept the lowest priced bid or any bid in part or in whole. It normally awards the contract to the bidder who proves to be fully capable of handling the contract and whose bid is functionally acceptable and/or financially advantageous to the IDC.
- 8.3** The IDC reserves the right to award this bid as a whole or in part.
- 8.4** The IDC reserves the right to conduct site visits at bidder's corporate offices and / or at client sites if so required.
- 8.5** The IDC reserves the right to consider the guidelines and prescribed hourly remuneration rates for consultants as provided in the **National Treasury Instruction 02 of 2016/2017: Cost Containment Measures**, where relevant.
- 8.6** The IDC reserves the right to request all relevant information, agreements, and other documents to verify information supplied in the bid response. The bidder hereby gives consent to the IDC to conduct background checks, including FICA verification, on the bidding entity and any of its directors / trustees / shareholders / members.
- 8.7** The IDC reserves the right, at its sole discretion, to appoint any number of vendors to be part of this panel of service providers, if applicable (i.e., where a panel is considered).
- 8.8** The IDC reserves the right of final decision on the interpretation of its tender requirements and responses thereto.
- 8.9** The IDC reserves the right to consider professional conduct and experiences it had with any bidder which rendered similar services to the IDC in the past 5 years over and above the references put forward by the bidder in its response.

9. Undertakings by the Bidder

- 9.1** By submitting a bid in response to the RFP, the bidder will be taken to offer to render all or any of the services described in the bid response submitted by it to the IDC on the terms and conditions and in accordance with the specifications stipulated in this RFP document.
- 9.2** The bidder shall prepare for a possible presentation should IDC require such and the bidder will be required to make such presentation within five (5) days from the date the bidder is notified of the presentation. Such presentation may include a practical demonstration of products or services as called for in this RFP.
- 9.3** The bidder agrees that the offer contained in its bid shall remain binding upon him/her and receptive for acceptance by the IDC during the bid validity period indicated in this RFP and its acceptance shall be subject to the terms and conditions contained in this RFP document read with the bid.
- 9.4** The bidder furthermore confirms that he/she has satisfied himself/herself as to the correctness and validity of his/her bid response; that the price(s) and rate(s) quoted cover all the work/item(s) specified in the bid response documents; and that the price(s) and rate(s) cover all his/her obligations under a resulting contract for the services contemplated in this RFP; and that he/she accepts that any mistakes regarding price(s) and calculations will be at his/her risk.
- 9.5** The successful bidder accepts full responsibility for the proper execution and fulfilment of all obligations and conditions devolving on him/her under the supply agreement and SLA to be concluded with IDC, as the principal(s) liable for the due fulfilment of such contract.
- 9.6** The bidder accepts that all costs incurred in the preparation, presentation and demonstration of the solution offered by it shall be for the account of the bidder. All supporting documentation and manuals submitted with its bid will become IDC property unless otherwise stated by the bidder/s at the time of submission.

10. Reasons for disqualification

- 10.1** The IDC reserves the right to disqualify any bidder which does any one or more of the following, and such disqualification may take place without prior notice to the offending bidder, however the bidder will be notified in writing of such disqualification:
- 10.1.1 bidders whose Tax Status is non-compliant on the Central Supplier Database (CSD), after they have been notified accordingly and still remain non-compliant;
- 10.1.2 bidders who submit incomplete information and documentation according to the requirements of this RFP document;
- 10.1.3 bidders who submit information that is fraudulent, factually untrue, or inaccurate information;
- 10.1.4 bidders who receive information not available to other potential bidders through fraudulent means;
- 10.1.5 bidders who do not comply with any of the **mandatory requirements** as stipulated in the RFP document;
- 10.1.6 bidders who fail to comply with POPIA requirements as listed herein.

11. Returnable Schedules

12. Evaluation Criteria and Weightings

Bids shall be evaluated in terms of the following process:

12.1 Phase 1: Initial Screening Process: During this phase, bid responses will be reviewed for purposes of assessing compliance with RFP requirements including the general bid conditions and also the Specific Conditions of Bid, which requirements include the following:

- Verification of Central Supplier Database (CSD) registration, Company Registration status, tax compliance status and any other relevant checks conducted on CSD.
- Submission of ID copy for the Company Representative as referenced in 12.3.4 above.
- BEE Status Certification as referenced in 12.3.11 above.
- Completion of all Standard Bidding Documents and other requirements, as reflected in this RFP, which covers the following:
 - Section 2: Statement of compliance with the Functional Evaluation Criteria for this RFP
 - Section 3: Cost Proposal and Price Declaration Form
 - Annexure 1: Acceptance of Bid Conditions
 - Annexure 2: Tax Compliance Requirements
 - Annexure 3: Bidder's Disclosure
 - Annexure 4: Shareholders' Information/ Group Structure
 - Annexure 5: Bidders Experience & Project Team
 - Annexure 6: BEE Commitment Plan
 - Annexure 7: Disclosure Statement
 - Annexure 8: Privacy & Protection of Personal Information Act 4 of 2013 Requirements

Failure to comply with the requirements assessed in Phase 1 (compliance), may lead to disqualification of bids.

12.2 Phase 2: Technical/ Functionality Evaluation

Bid responses will be evaluated in accordance with the Functional criteria as follows:

12.2.1 Mandatory Functional/ Technical Requirements

All bid responses that do not meet the Mandatory Functional Requirements will be disqualified and will not be considered for further evaluation on the Other Functional Requirements. The Mandatory Functional Requirements are stated in section 2 of this RFP document.

Failure to comply with the Mandatory Functional Requirements assessed in this phase will lead to disqualification of bids.

12.2.2 Other Functional/ Technical Requirements

With regards to the other Functional Requirements, the following criteria (set out in more detail in section 2 of this RFP document) and the associated weightings will be applicable:

ELEMENT	WEIGHT
Bidder's relevant Experience	10
Bidder's proposed Methodology	35
Bidders proposed Project Plan	15
Qualifications, Skills, and Experience of key personnel	40
TOTAL	100

Note: The minimum qualifying score for functionality is 70%. All bidders that fail to achieve the minimum qualifying score on functionality shall not be considered for further evaluation on Price and Specific Goals.

12.3 Phase 3: Preference Point System

All bids that achieve the minimum qualifying score for Functionality (acceptable bids) will be evaluated further in terms of the preference point system, as follows:

CRITERIA	POINTS
Price	80
Specific Goals ¹	20
TOTAL	100 points

¹Specific Goals for this tender and points that may be claimed are indicated per table below:

SPECIFIC GOALS	POINTS
	(80/20 system)
Black ownership ²	10
30% Black women ownership	5
Any % of ownership by Black Designated Groups ³	2
Reconstruction Development Programme Objective: Promotion of SMMEs (Entities that are EME or QSE)	3
TOTAL POINTS	20

²Black ownership: 100% black owned entities will score the full 10 points, and between 51% - 99.99% black owned entities will score 4 points.

³ Black Designated Groups has the meaning assigned to it in the codes of good practice issued in terms of section 9(1) of the Broad-Based Black Economic Act as amended.

12.4 Phase 4: Objective Criteria

To ensure that a contract is awarded fairly and to the best bidder, the IDC will apply the objective criteria. Therefore, the IDC reserves the right to withhold the award of a contract to the highest scoring bidder if the award poses a risk to the IDC.

Objective Criteria are:

- The bidder that poses reputational risk to the IDC. This will be assessed in line with the bidder's disclosure (Refer to Annexure 7: Disclosure statement of this document).
- The bidder's financial capability in relation to the execution of the contract.
- The bidder's past performance in IDC contracts.

13. Promotion of Emerging Black owned Service Providers

It is the IDC's objective to promote transformation across all industries and/ or sectors of the South African economy and as such, bidders are encouraged to partner with a black owned entity (being 50%+1 black owned and controlled). Such partnership may include the formation of a Joint Venture and/ or subcontracting agreement etc., where a portion of the work under this tender would be undertaken by black owned entities. To give effect to this requirement, bidders are required to submit a partnership / subcontracting proposal detailing the portion of work to be outsourced, level of involvement of the black owned partner and where relevant, submit either a consolidated B-BBEE scorecard or each bidder of the partnership in their individual capacity to submit a BEE certificate or Sworn Affidavit in case of an EME or QSE which will be considered as part of the Specific Goals scoring listed in 13.3.

SECTION 2: FUNCTIONAL REQUIREMENTS SPECIFICATION

SECTION 2: FUNCTIONAL REQUIREMENTS SPECIFICATION

1. Special instructions to bidders

- 1.1 Should a bidder have reason to believe that the Functional Requirements are not open/fair and/or are written for a particular service provider; the bidder must notify IDC Procurement within five (5) days after publication of the RFP.
- 1.2 Bidders shall provide full and accurate answers to the questions posed in this RFP document, and, where required explicitly state "Comply/Not Comply" regarding compliance with the requirements. Bidders **must** substantiate their response to all questions, including full details on how their proposal/solution will address specific functional/ technical requirements; failure to substantiate may lead to the bidder being disqualified. All documents as indicated must be supplied as part of the bid response.

2. Project background and objectives

2.1. Overview

Maluti a Phofung municipality serves 333,785 people from 115,000 households (Map IDP 2021) across 35 wards, that includes QwaQwa rural area, Phutaditjhaba, Kestell, Tholong, Tshiame/Malhokweng and Harrismith/Intabazwe. Maluti-a-Phofung Municipality is a local municipality under the Thabo Mofutsanyane District Municipality in the Free State Province of South Africa.

In terms of section 153 of the constitution, Maluti-a-Phofung Municipality, as a license holder and service authority, has a duty to all consumers or potential consumers in its area of jurisdiction to provide electricity services in an effective affordable, and sustainable manner and to ensure economic development.

Consistent and exorbitant annual increases in the cost of electricity, coupled with frequent nationwide power cuts has resulted in Municipalities and consumers looking at alternative ways to increase their energy security. Maluti a Phofung is among the municipalities looking to diversify their energy mix, whilst also reducing the cost of electricity for their customers. The Municipalities future plan is to be able to provide electricity to its residents and consumers under Section 153 of the Municipality's obligations. To achieve these obligations, the municipality is exploring the possibility of an alternative energy system comprising 1 x 50MW and 1 x 20MW Solar PV Plants including battery energy storage at the Makholokweng and Witsieshoek Substations.

2.2. Objectives

The strategic aim of the project is to provide services to the community in a sustainable manner, through the introduction of alternative and green energy to the Maluti a Phofung electrical grid. The solution is intended to reduce the maximum demand of electricity during daily peak hours resulting in a decrease in the Eskom account charges. Maluti would also like to become less reliant on the national grid, and increase the resilience of the municipal grid, improve customer satisfaction, reduce bulk electricity purchase costs and achieve lower tariff increases to customers. In addition, the municipality would like to attract more business development and investment into the area, which will also stimulate the local economy and increase job creation. Further to this, the intention is to assist in combating climate change through the generation of sustainable energy which will combat climate change through reduced CO2 emissions..

3. Scope of work/Terms of reference

The appointed service provider must provide the following:

3.1. Project preparation for funding (Feasibility study)

The service providers scope of work entails the packaging of the project for funding in compliance with the prescripts of the National Treasury Budget Facility for Infrastructure and the Infrastructure South Africa (ISA) 5-Case Model Early and Intermediate Business Cases.

3.1.1. The service provider shall with reference to 3.1 above review and update the;

- i. Draft Maluti a Phofung Alternative Energy Solution Application for Large Infrastructure

- v. Project Lifecycle Cost and Cost-benefit Analysis
- vi. Options Analysis
- vii. Suitability of the Project Sites
- viii. Project Preparation Plan
- ix. Project Summary Overview
- x. Required Project Team and Team Qualifications

3.1.2. The service provider shall with reference to 3.1 above develop the following;

- i. A Primary Submission no longer than 20 pages – this is a high-level business case that clearly explains how the proposal meets the criteria of being a national priority, the problem that the intervention intends to address, the alternatives that have been considered to solve the problem, and the assumptions, constraints, risks, costs, and timeframes associated with implementing a chosen solution. It should also include a written recommendation for support from the relevant national department. The Primary Submission should include the following:
 - Description
 - Justifications
 - Objectives
 - Summary of options considered
 - Overview of socioeconomic analysis
 - Budget statement
 - Risk statement and sensitivity analysis
 - Procurement Statement
 - Institutional and Operational Readiness

- ii. All the documentation and data that supports the project proposal should be referenced in the primary submission and should include a feasibility study covering appraisal of the following elements;
 - Financial
 - Economic
 - Social
 - Institutional

3.1.3. As a minimum, the following must be considered;

- i. The municipalities outstanding Eskom debt of R7.2 billion.
- ii. The Eskom debt that includes the non-payment of the current account, interest, and penalties for exceeding the notified maximum demand.
- iii. Exceedance of the notified maximum demand at 80% of substation resulting in load reduction.
- iv. Ageing infrastructure – most infrastructure older than forty years.
- v. Illegal connections.
- vi. Insufficient capacity to eradicate current backlogs, therefore illegal connections cause transformer failure.
- vii. Capacity problems which create power interruptions of between 11 to 13 hours per day.

3.1.4. In developing the feasibility study, the following must be included as a minimum:

- i. The feasibility study must be consistent with the requirements of the National Treasury PPP manual (Module 4: Feasibility Study).
- ii. A review and assessment of the accuracy and quality of financial and market information.
- iii. Technical and financial feasibility including capital costs breakdown.
- iv. The possible use of different types of financing and funding arrangements.
- v. Models for implementation, replication, and upscaling.
- vi. Enabling legislative framework for municipal self-generation.
- vii. Development of a financial model and a thorough sensitivity analysis on key variables.
- viii. Ensure that the financial model is a fully integrated model across the programme issued in native editable format for each of the options (Excel format), with all the formulas and assumptions clearly outlined, using international standards of transparency and auditability.
- ix. Capacity development, environmental and social impact.

3.1.5. The required outputs are listed below:

- i. Project inception report.
- ii. Fortnightly project progress reports & presentations.
- iii. Produce a revised and updated feasibility study report for the revised programme with the expanded scope, accompanied by an indemnity certificate.
- iv. Develop and design implementation options for rolling out the programme i.e., cost-benefit / socio-economic impact assessment which includes identifying relevant stakeholders and outlining partnership structures between government and the private sector.
- v. Industrialisation, Local Content, Job Creation and Skills Development Report.
- vi. Environmental and Social Impact Assessment.
- vii. Project factsheet encapsulating the above outputs.
- viii. The narrative feasibility study must be presented with a thorough executive summary and must be accompanied by a PowerPoint presentation that encapsulates all the key features of the study. The executive summary and PowerPoint presentation must be compiled in such a manner that they can be used for decision-making purposes.

3.2. Programme Implementation Plan

The service provider shall:

- i. Develop and design implementation options for rolling out the Programme;
- ii. Provide high-level risk assessments for each of the identified implementation options;
- iii. Recommend a fully integrated implementation plan for the programme;
- iv. Develop and design a management and support structure for rolling out the programme, which inter alia includes the identification of relevant stakeholders and;
- v. Provide detail on the best procurement practice and procedures suited to this type of Programme and proposed structure.

In recommending the optimal configuration and establishment of a programme management office (PMO), the following must be included as a minimum:

- i. Resource requirements in the establishment of the PMO;
- ii. PMO organisational composition and typical personnel profiles required;
- iii. Roles and responsibilities;
- iv. Risk processes, reporting frameworks; and
- v. Other identified requirements.

3.3. Regulatory and Legal Requirements

The service provider will provide an assessment of the regulatory and legal- requirements for each of the options which will include the following as a minimum:

- i. Review and summarise the recommended approach for roll out of the programme with sufficient consideration of the nature of the partnership between government and the private sector.
- ii. List all agreements required to support the implementation of the programme and provide high-level principles for these agreements.

3.4. Workflow Process

The following are key steps in the workflow for the execution of the services:

- i. The service provider will develop as a minimum three (3) implementation options for consideration by the Infrastructure South Africa (ISA);
- ii. A joint review of the options will be held, after which the service provider will update the options as discussed.
- iii. Progress meetings shall be held with the ISA on a weekly basis.
- iv. After the update of the options, the service provider will carry out a detailed assessment of the regulatory, financial, technical, and other risks associated with each of the options. A fully integrated financial model across the entire programme will also be developed for each of the options, showing the economics for each part of the programme.
- v. The results, including a recommended structure and business case will be included in a draft report (MS Word format and summary MS PowerPoint presentation) to be issued to the IDC (ISA). The recommended structure could also be a combination of the original options.
- vi. A further review will be held in which the service provider will present the preliminary findings; and
- vii. The service provider will provide a final report and presentation based on its findings and the input received from the Infrastructure South Africa.

3.5. General

- i. The Service Provider shall inform ISA prior to contacting any third parties to obtain information or discuss the project details.
- ii. The service provider shall treat all the data with the required confidentiality and return all the data to Infrastructure South Africa after the completion of the project.

4. Project timelines

7. COSTING MODEL

Activity/ Deliverables	Resource(s)	Rate/Hour per resource	No. of hours	Cost (VAT Excl.)
1. Feasibility study (Ref. to SOW 3.1 – 3.1.1. to 3.1.5)				
2. Program implementation plan (Ref. to SOW 3.2)				
3. Regulatory and legal requirements (Ref. to SOW 3.3)				
4. Workflow Process (Ref. to SOW 3.4.)				
5. Disbursements				
Sub-Total Price (VAT Excl.)				
VAT at 15% (If applicable)				
Total Bid Price (VAT Incl.)				

The bidder must provide a detailed breakdown of the Disbursements as follows:

Cost Element	Cost (VAT Excl.)
Sub-Total Disbursements	

Note on pricing:

Disbursements (incidental expenses other than professional fees e.g., travel and accommodation, printing costs, etc.) must be clearly defined, outlining all assumptions. It is of utmost importance to submit clear and comprehensive cost proposals to allow the IDC to fairly compare bid price / cost proposals. If there is no additional fee envisaged for Disbursements, then the bidder must clearly indicate “No Charge / Free of Charge”. Failure to clearly indicate this, would result in IDC penalising your bid response by taking the cost of the highest bidder and adding 50% thereto and apply this rate for purposes of price comparisons. Bidders are therefore requested to respond clearly and comprehensively on this aspect of their bid response.

Annexure 6: BEE Commitment Plan

The IDC encourages existing vendors and prospective bidders to support the objectives of B-BBEE and as far as possible strive to improve their B-BBEE contribution status. For bid evaluation purposes, bidders are allocated points in terms of a preference point system based on the Specific Goals which requires the bidder to have a valid B-BBEE certificate or a sworn affidavit in case of a EME or QSE.

Bidders are therefore required to submit a B-BBEE improvement plan in view of the new B-BBEE Codes of Good Practice. Bidders must indicate the extent to which their ownership, management control, employment equity, preferential procurement and enterprise development will be maintained or improved over the contract period in the event that they are successful in this bid process.

Annexure 7: Disclosure Statement

In terms of the tender condition 8.6, which allows the IDC to conduct background checks on bidders and its shareholders and directors, the IDC hereby requires bidders to provide the following additional information:

- 7.1 The IDC considers the integrity of its appointed service providers to be of critical importance. The IDC reserves the right to disqualify from further consideration, any bidder whose integrity, based on past conduct (during the 5 years immediately preceding the bid submission date), it considers questionable.
- 7.2 To this end, the IDC requires each bidder to include in its bid, a disclosure statement which details the following (with sufficient information and supporting documentation for the IDC to make its own assessment as to the materiality or seriousness of allegations regarding the bidder's integrity or conduct):
 - 7.2.1 any criminal charges made against the bidder or any of its directors, shareholders, or management officials regarding their professional conduct;
 - 7.2.2 any civil proceedings initiated against the bidder or any of its directors, shareholders, or management officials regarding their professional conduct; and
 - 7.2.3 any other enquiry or similar proceedings initiated or threatened against the bidder or any of its directors, shareholders, or management officials regarding their professional conduct.
- 7.3 Where the bidder is a consortium, the disclosure statement referred to in paragraph 7.2 above must be made separately in respect of each consortium partner.
- 7.4 In the event that the bidder's circumstances change, after submission of its bid, regarding any matter referred to in paragraph 7.2 above or in regard to any matter referred to in its disclosure statement, the bidder must submit a written notification to IDC indicating the nature and extent of such changed circumstances.
- 7.5 The IDC reserves the right to seek such additional information from any bidder, in respect of the disclosure statement referred to in paragraph 7.2 above, as it may, in its sole discretion, determine, whether such information has been requested under this RFP or otherwise, and may require the bidder to make oral presentations for clarification purposes or to present supplementary information, in respect of the disclosure statement if so required by the IDC.
- 7.6 Based on its own assessment of the contents of the bidder's disclosure statement and any publicly available information which is relevant to the contents of such disclosure statement, the IDC will decide whether the bidder's conduct or any allegations relating thereto pose a risk, reputational or otherwise, to the IDC; and if it reaches an adverse conclusion the IDC will in its sole discretion have the right to disqualify a bidder from further participation in the tender process. Disqualification on this ground may be done at any stage in the bid evaluation process prior to contract award.

Annexure 8: Privacy & Protection of Personal Information Act 4 of 2013 Requirements

Request for Proposal No:	
Name of Bidder:	
Authorised signatory:	

Protecting personal information is important to the Industrial Development Corporation (IDC). To do so, IDC follows general principles in accordance with applicable privacy laws and the Protection of Personal Information Act 4 of 2013 (POPIA).

IDC's role as a responsible party, is amongst others to process personal information for the intended purpose for which it was obtained and in line with legal agreements with its respective/ prospective clients, third parties, suppliers, and operators.

Who is an Operator? A person or body/ entity which processes personal information for the IDC in terms of a contract or mandate.

Who is a Supplier? a natural or juristic person that provides a product or renders a service to the IDC. A supplier could also be considered as an operator, an independent responsible party or (together with IDC) a joint responsible party.

If the supplier or business partner provides IDC with its related persons' personal information, the supplier or business partner warrants that the related persons are aware of and have consented to the sharing and processing of their personal information with/by IDC. IDC will process the personal information of related persons as stated under a contractual agreement or as required by any related legislation.

Examples of the personal information of the supplier or business partner where relevant may include (but are not limited to): financial information, including bank statements provided to the IDC; · invoices issued by the supplier or business partner; the contract/ legal agreement between the IDC and the supplier or business partner; other identifying information, which includes company registration numbers, VAT numbers, tax numbers and contact details; marital status and matrimonial property regime (e.g. married in community of property); nationality; age; language; date of birth; education; financial history; identifying numbers (e.g. an account number, identity numbers or passport numbers); email address; physical address (e.g. residential address, work address or physical location); information about the location (e.g. geolocation or GPS location); telephone numbers; online and other unique identifiers; social media profile/s; biometric information (like fingerprints, facial recognition signature; race; gender; sex; criminal history.

Example of Special personal information is personal information about the following: · criminal behaviour, or any proceedings in respect of any offence allegedly committed by a data subject or the disposal of such proceedings; religious and philosophical beliefs; trade union membership; political beliefs; health, including physical or mental health, disability, and medical history; or biometric information (e.g., to verify identity).

RESPONSIBILITIES OF SUPPLIERS AND BUSINESS PARTNERS WHO ARE OPERATORS UNDER POPIA

Where a supplier or business partner, in terms of a contract or mandate, processes personal information for the IDC and is considered an operator of the IDC, the supplier or the business partner will be required to adhere to the obligations set out in the IDC data privacy or POPIA policy. This policy sets out the rules of engagement in relation to how personal information is processed by suppliers and business partners on behalf of the IDC as well as the minimum legal requirements that IDC requires the suppliers and business partners to adhere to, including compliance with POPIA as summarised in the below table.

Item	GUIDING CONDITIONS FOR PROCESSING PERSONAL INFORMATION	Yes	No
8.1	<p>Accountability The respective clients, third parties, suppliers and operators and its members will ensure that the provisions of POPIA, the guiding principles outlined in the policy and all the measures that give effect to such provisions are complied with at the time of the determination of the purpose and means of the processing and during the processing itself. In the event that an employee of the IDC or any person acting on behalf of the corporation who through their intentional or negligent actions and/or omissions fail to comply with the principles and responsibilities outlined, proper corrective measures will be applied.</p>	Yes <input type="checkbox"/>	No <input type="checkbox"/>
8.2	<p>Processing Limitation The respective clients, third parties, suppliers and operators and its members will ensure that information is only processed for the justifiable reason and processing is compatible with the purpose of the collection.</p>	Yes <input type="checkbox"/>	No <input type="checkbox"/>
8.3	<p>Purpose Specification All respective clients, third parties, suppliers and operators and its members will process personal information only for specific, explicitly defined, and legitimate reasons. The respective clients, third parties, suppliers and operators will inform IDC of reasons prior to collecting or recording their PI.</p>	Yes <input type="checkbox"/>	No <input type="checkbox"/>
8.4	<p>Further Processing Limitation Personal information will not be processed for a secondary purpose unless that processing is compatible with the original purpose. Thus, where the respective clients, third parties, suppliers and operators seek to process personal information it holds for a purpose for which it was originally collected, and where this secondary purpose is not compatible with the original purpose, respective clients, third parties, suppliers and operators will first obtain additional consent from the IDC.</p>	Yes <input type="checkbox"/>	No <input type="checkbox"/>
8.5	<p>Information Quality The respective clients, third parties, suppliers and operators will take reasonable steps to ensure that all personal information collected is complete, accurate and not misleading. Where PI is collected or received from third parties, the respective clients, third parties, suppliers and operators will take reasonable steps to confirm that the information is correct by verifying the accuracy of the information directly with the data subject or by way of independent sources.</p>	Yes <input type="checkbox"/>	No <input type="checkbox"/>
8.6	<p>Open Communication Reasonable steps will be taken by the respective clients, third parties, suppliers and operators to ensure that the IDC is notified of the purpose for which the information is being collected, used, and processed.</p>	Yes <input type="checkbox"/>	No <input type="checkbox"/>

Item	GUIDING CONDITIONS FOR PROCESSING PERSONAL INFORMATION	Yes	No
8.7	Security Safeguards It is a requirement of POPIA for responsible parties, business partners and operators to adequately protect personal information. IDC will need to review suppliers or business partner security controls and processes to ensure that personal Information is compliant with the conditions of the lawful processing of personal information as set out in the POPIA. This would be a continuous monitoring and review that will be conducted by the IDC at its discretion.	Yes <input type="checkbox"/>	No <input type="checkbox"/>
8.8	Data Subject Participation A data subject whose PI has been collected, stored, and processed by the respective clients, third parties, suppliers and operators must have communication channels to attend to may request for the correction or deletion of such information.	Yes <input type="checkbox"/>	No <input type="checkbox"/>
