18	Upgrading of the 600mm steel pumping line to Ikageng	26° 42' 12.2394"S, 27° 1' 40.4394"E	26°44'10.51"S, 27° 2'57.24"E	8000	Township

- Please convert the information provided to a construction cost per project and develop a fee proposal based on the construction cost.
- Allow for 1 air valve and 1 scour valve for every km of pipe.
- For uniformity, fee proposal may be based on the existing pipe size and pipe material.
- Allow for dolomite stability study where required (i.e. old water treatment plant).

For more details or information, please contact Ntombifikile Mokgeseng on 011 269 4381 or email: NtombifikileM@idc.co.za
