

## Question and Answers Version 2

No.	Question	Type	Answer
1	Is this Transactional Advisor Appointment? If so: a. Is it a full TA service as defined by the National Treasury guidelines, or b. A Business Case Assessment?	Technical	Yes, it is a transactional advisor appointment for business case development including procurement support as per the scope of work.
2	In the case of following the National Treasury guidelines requiring a feasibility study a. What is the feasibility study looking at e.g. hotels, island infrastructure .....? b. On what basis has the annual 300 000 visitors been based on? Have market research studies been undertaken to substantiate this or must they still be undertaken or this is the target?	Technical	a) The feasibility study is looking at package 2, 3 and 4. Package 2 specifically, speaks to developing a full options analysis of the development or refurbishment or cluster of assets, etc.. b) The 300 000 visitors is based on the Robben Island Museum Carrying Capacity Document.
3	It was mentioned that some technical work, design, and tender documentation have already been completed. a. Does this require detail review on said documentation? b. How are completed designs (and tender documentation) of e.g. desalination facility, harbor and other island infrastructure to be incorporated in the Feasibility Study and will this be incorporated in an implementation structure be it PSC or PPP?	Technical	a) Yes, package 1 indicates that the appointed service provider will be required to review the documentation prepared and support with assurance of the project management process. b) The business case development for each work package is to be done separately, i.e. three business cases including procurement support for work packages 2,3 and 4.
4	Is the purpose of the feasibility study to determine whether the PPP route of implementation the recommended route or not?	Technical	The purpose of the feasibility study is to support the Robben Island Museum to implement the most suitable route.
5	Section 1, Item 12.2.1 outlines the weightings for the functionality score. However, Section 2, Item 5 does not specify how the points are achieved, only stating the scoring as 'COMPLY,' 'PARTIALLY COMPLY,' and 'NOT COMPLY.' Can this be clarified?	Procurement	The bidders response will be evaluated inline with evaluation criteria.
6	Just need clarification when submitting the tender via email do we also include Part C scope of work as it makes the document already to be too big, remember the returnable documents also need to be part of the document submission.	Procurement	Refer to Section 1, paragraph 4.4 Bidders are advised to submit / send its bid responses at least 30 minutes before the 11:00AM deadline to avoid any Information Technology (IT) network congestions or technical challenges in this regard which may result in bid responses being received late. IDC's e-mail servers are configured to receive e-mails with sizes up to 50MB. You can split your document.
