Notes on pricing:

- The service provider is required to price the IDC for the rental of stands. The rental price for a stand provided should include the rental cost for each of the above listed materials, the cost associated with the design of the stand and the cost associated with the build-up and strike down of the stand. All other disbursement costs associated with this project i.e. transport, storage etc. must be included in the pricing, where relevant.
- Disbursements (incidental expenses other than rental of exhibition stands e.g. travel and accommodation, printing costs, venue hire, and equipment hire etc.) must be clearly defined, outlining all assumptions. It is of utmost importance to submit clear and comprehensive cost proposals to allow the IDC to fairly compare bid price / cost proposals. If there is no additional fee envisaged for Disbursements, then the bidder must clearly indicate “No Charge / Free of Charge”. Failure to clearly indicate this would result in IDC penalising your bid response by taking the cost of the highest bidder and adding 50% thereto and apply this rate for purposes of price comparisons. Bidders are therefore requested to respond clearly and comprehensively on this aspect of their bid response.

The bidder must provide a detailed breakdown of the Disbursements as follows:

Cost Element	Cost (VAT Excl.)
Total Disbursements
